BOARD OF EDUCATION.

CENTRAL COLLEGIATE INSTITUTE.

The Board of Education is glad to be able to report our Male College in a prosperous condition. President Millar, assisted by an able faculty, is doing a grand work for the cause of christian education in our State. The enrollment for this year is 119; 92 of whom are boarding pupils. The discipline of the school is excellent and the deportment of the students is exceptionally good. The equipment of the school, in the way of apparatus, library, etc. is steadily improving. The religious development of the students has been very gratifying to the faculty and to the church. There are, at present, attending the College, sixteen young preachers; six from our Conference, and five from each of the other Conferences in the State.

We rejoice in the success which has attended the labors of our Financial Agent, Rev. V. V. Harlan, and we recommend his continuance in this relation, and that he be assisted in his work by President Millar.

We submit the following financial statements from our agent, which statements constitute a part of this report. (See Exhibit herewith.)

WHITE RIVER CONFERENCE.

RESOLVED, That we recommend an assessment of \$300 for Ministerial Education, and that it be apportioned among the several Districts by the Joint Board of Finance, and that it be collected by the Presiding Elders.

24, That this money shall be disbursed by the Board of Trustees and that each student be required to give his note without interest for the amount received, to be repaid by him as soon as possible after the completion of his course; and that the money thus returned shall constitute a permanent Ministerial Aid Fund.

REPORT B.

VANDERBILT UNIVERSITY.

The Board of Education would make the following report:

We find the University, in all its departments, more prosperous than it has ever been. There is an increased attendance from all the different sections of our country.

RESOLVED. That we are in full sympathy with the Theological department of the University, and that we will do all we can to advance its interests.

RESOLVED, That we recommend to the Conference the approval of the action of the Board of Trust at its last annual meeting in reference to the election of members of the Board of Trust as stated in the accompanying paper, which is made a part of this report;

PROVIDED, That the charter of the University be so amended as to secure the right of the several Annual Conferences to act upon all nominations to fill vacancies before any party nomi-

inated by the Board can become a member thereof; and provided also, that no amendment to the charter shall affect the ex-officio members of the Board.

RESOLVED, That a copy of the action of the Conference touching the reorganization of Vanderbilt University be duly endorsed and forwarded to Bishop McTyeire at Nashville, Tenn.

E. M. PIPKIN, Secretary,

B. HARRIS, Chairman.

REPORT C.

TEMPERANCE.

We, your Committee on Temperance, submit the following as our report:

The temperance work is one that every lover of God and man should take a deep interest in; intemperance being one of the worst evils which the Church of God has to contend. Every city, town and country have to their heart's sorrow witnessed the dire effects of the soul-destroying monster rum. It is the father of lies, the mother of perhaps nine tenths of all the crimes committed in the land, and the enemy of religion and morality, and should be declared a public nuisance, and a curse everywhere; therefore be it

RESOLVED, That we, ministers and members of the White River Annual Conference, pledge ourselves to promote the cause of temperance and prohibition in every laudable and lawful way, and that we pray God to hasten the day when the Nation shall be freed from this awful curse by national prohibition.

2nd. That we respectfully pray and petition our next General Assembly of the State to enact a law requiring that the study of the nature of alcoholic drinks and other narcotics, and special instruction as to their effects upon the human system, in connection with relative physiology, shall be made a regular branch of instruction for all pupils in all schools supported by public money or under State control.

3rd. That we also ask the said General Assembly to enact a law prohibiting the sale of native wines in all places where local option prevails. Respectfully submitted.

S. L. COCHRAN, Chairman.

REPORT D.

DISTRICT CONFERENCE JOURNALS.

The Journal of the Helena District was neatly written and ruled, properly punctuated, capitalized and paragraphed, having appropriate marginal references; but the resolutions and reports of the several committees were copied in the body of the minutes instead of in an appendix, which appears to be the custom with the District Conferences; and the Journal was signed by another person than the Secretary and Presiding Elder, adding the word "signed" above the name of each of said officials. In all other matters this Journal is accurate and comprehensive.

The Journal of the Batesville District is also neat and written up in systematic order, except that the resolutions and reports of the several committees are recorded at length in the body of the proceedings of the Conference, instead of in an appendix.

All the other Journals are neatly kept, properly punctuated, paragraphed and signed by the respective Secretaries and Presiding Elders of each Conference. Respectfully submitted,

M. F. COLLIER,
W. E. DAVIDSON, } Com.

REPORT E.

BIBLE CAUSE.

Your committee to whom was referred the work of the American Bible Society, would respectfully report that this great institution continues to do the work for which it was established with great energy and success, both in its home and foreign field of labor; circulating the Word of Life among the nations of the earth. Through this and like agencies, the Bible, once the costliest book in the world, has become the cheapest, and is always sold at cost of publication, and given to the poor.

We observe from the last report, May 1888, that the publications amount to nearly 50,000,000 copies—Bibles, Testaments and portions, in many languages and dialects, so as to meet the necessities of all nations.

The fourth supply of our whole country is drawing to a close; the most extensive enterprise of the kind ever undertaken in the history of the world. This work has been completed in our own State at a cost to the American Bible Society of nearly \$19,000.

We note with peculiar satisfaction that there are in our State more than eighty auxiliary Bible Societies, where the Word of Life can be secured by our people at cost of publication, and where the poor can receive it as a gift.

During the last year eleven general agents and 387 Bible distributors, employed and paid by the American Bible Society, have been at work in foreign lands, giving the Word of God to the people in their own tongue.

As a Conference we would renew and re-affirm our interest in this great work, and recommend and urge that collections be taken up in all our charges to assist as far as we can this great cause. We are pained to know that many of our charges have failed to give any material assistance. The Conference consists of about fifty or sixty preachers and as many charges, yet, so far as we can learn, only about twenty have contributed this year up to this date; the aggregate being about \$132. In conclusion, we would offer the following:

- RESOLVED, That we commend this institution to the prayers and offerings of our people.
2d, That during the ensuing year all our charges be urged to give something for this object.

3d, To secure concert of action, we recommend that the month of February be set apart for Bible collections.

4th, We suggest that each charge send its collections by March 1, to the District Superintendent of Arkansas, and report the same at the next session of this Conference, and that he be requested to do the same.

Respectfully Submitted, BENONI HARRIS, Chairman.

REPORT F.

BOOKS AND PERIODICALS.

Your Committee on the subject of Books and Periodicals recognize that the circulation of sound religious literature is not only first in importance, next to the preaching of the Gospel, but that it is so essential as an ally of pulpit ministrations that permanent success cannot be assured without it. In the great commission given by the Lord. "Go, teach the nations," He no doubt meant that both mind and heart culture were necessary to a successful conquest of the world. This mental culture necessary to a high appreciation and right conception of man's duty to himself, his God and his neighbors, can be done in no other channel as cheaply and effectively as through the medium of sound religious literature, distributed broadcast over the land. We think that the introduction of S. S. Libraries, as offered by our Publishing House, if placed in every Sunday-school in our connection and properly conducted, would not only be a grand auxiliary to the pulpit in the matter of teaching our young people the true spirit and principles of evangelical religion, thus pre-occupying the ground so as to shut out much of that chaffy and pernicious stuff flooding the country—but as an economic measure, it so cheapens good, wholesome literature, that the poorest could have equal opportunities with the more prosperous to inform themselves and become more intelligent about the things of God, and more appreciative. We congratulate our Church on the high standard and cheapness of our Sunday-school literature and most heartily recommend its use in our Sunday-schools.

The Quarterly Review we regard as an essential factor in the literary and religious publishing interests, and regret that so valuable an accessory of good is not made self-supporting. We think that all our ministers, both traveling and local, as well as all of our intelligent laymen, would at least avail themselves of a great privilege and blessing to subscribe for and read it. Besides benefiting themselves with an intellectual treat, they would thus build up a periodical on a self-propagating basis, that its area of usefulness might be enlarged, and our Church honored in sustaining a periodical inferior none.

Our connectional organ, the Christian Advocate, we recommend to our people as a safe expositor of the truth, as it is in Christ Jesus,

and well worthy the patronage of our people everywhere.

We are glad to note the prosperity of our Publishing House at Nashville and from communications on hand learn, that that interest so essential to our success in "spreading Scriptural holiness over the lands," is now in a condition to enlarge its sphere of usefulness and thus joining with other means and agencies to extend the borders of Christ's Kingdom and inculcate the true doctrines of the Gospel until the kingdoms of this world shall be brought to Christ

THE ARKANSAS METH DIST, published at Little Rock by Bennett and Emonson and well edited by our own Bro Bennett of this Conference, we esteem very highly for its work's sake. We recognize in it a live and progressive paper, which is doing a great work in educating our people in religion and morals as well as the doctrines and policy of our Methodism. We most heartily recommend a continuance of our relation to it as our Conference organ and commend it to our people as in every way worthy of their patronage.

We appreciate the generous offer made by the joint owners of the paper, Bros. Bennett & Emonson, to donate one-half the net earnings of the paper to the three patronizing Conferences for the benefit of our worn out preachers and the widows and orphans of deceased preachers; and do hereby pledge ourselves to a faithful effort to extend its circulation among our people.

We recommend the election of a committee to act with similar committees from the Arkansas and Little Rock Conferences on publication, composed of the following named persons: R. G. Brittain, J. M. Talkington. and Frank Ritter

REPORT L.

MEMOIRS.

Your Committee on Memoirs beg leave to submit the following:

BRO. ED. T. JONES, occupying a supernumerary relation to this Conference, has been called from labor to reward. We are not sufficiently informed to report accurately as to his birth, education, conversion or calls to the ministry. He was admitted into the traveling connection of the Arkansas Conference in 1854, and faithfully served circuits, stations and districts until his health failed, and sometime during the year 1869 he was granted a superannuated relation. After a year or two he became supernumerary. We visited him during his last illness and found him re-igned to the will of his Maker, full of faith and ripe for the Master's use. He said, "Tell the brethren the Lord is with me." He died May 28th, 1888, at his home in Augusta, Arkan-

sas. May God in his illimitable goodness gently care for the bereaved wife and children.

A M R. BRANSON,

for the Committee.

BRO. R. P. HARWOOD joined this Conference on trial at Helena in 1880. He was admitted into full connection at Forest City in 1882. We do not know his history prior to his admission. He filled several good circuits and did his duty faithfully. His health failed, and he went to Florida in the hope of regaining it, but during the past summer he quietly passed away in the full triumph of a living faith. Bro. Harwood was a good man and a true itinerant minister. We pray the mercies of God upon his widow and little ones

GEORGE THORNBURGH,

for the Committee

THOMAS VINCENT was born in Madison county, Tenn., August 4th, 1823, the tenth child of Thomas and Elizabeth Vincent, who were old type Methodists.

The subject of this sketch professed religion at the age of 12 years at Shady Grove camp-ground, Henderson county, Tenn. He was left motherless at 15 and fatherless at 16. He married Miss Mary J. Fuller January 2d, 1851; moved to Independence county, Ark., in the fall of 1856. He located near Cedar Grove Church, now in the bounds of Jamestown Circuit. He was licensed to exhort by the Rev. John A. Roach, August, 1857; licensed to preach in September, 1858. His license was signed, "Rev. J. S. McCarver, P. E." He worked at his blacksmith trade and preached as a local preacher. In September, 1866, he was ordained a deacon by Bisoph Pierce at Searcy. The year of 1869 he traveled Big Creek Circuit as a supply.

At the first session of White River Conference, which was held at Mt Zion, Cross county, 1870, he was admitted on trial in a class of thirteen, only one of whom (S. D. Evans) now belongs to this conference. He was ordained a local elder at that conference by Bishop Keener. His first appointment was Prospect Bluff, (now Judsonia), which he served two years. Of these two years he says in his diary: "The first year we had a good time; about sixty additions to the church. It was a small work of five appointments. I received about \$150. The second year we had much trouble; politics got into the church; some of the members joined the Union League, and we had other troubles. Yet we had about twenty-five accessions and I received about \$125." In 1872 he was received into full connection and appointed to Grand Glaize circuit and reappointed to the work in 1873. In 1874 appointed to Kentucky Valley mission, but was changed by the P. E. to Big Creek circuit and returned to it in 1875. In 1876 he was sent to Grand Glaize circuit and returned to it in 1877. In 1878 he went to Melbourne circuit. In 1879 he was sent to Bethesda circuit. He had much trouble this year with a set called "New Lights." Of these men he says: "One was sent to the penitentiary, one committed cold-blooded murder and one of their preachers was turned out

for getting drunk " In 1880 he was appointed to Big Creek mission. In 1881 he went to Bethesda circuit again. In 1882 was sent to Newburg circuit and returned to it in 1883. In 1884 was appointed to Ash Flat circuit. In 1885 was sent to Shiloh circuit, on Crowley's Ridge, and returned to it in 1886. In February, 1887, his health began to fail. He filled his appointments till the fourth Sunday in May, which was the last time he ever tried to preach. He attended his District Conference at Portia, embracing the fifth Sunday in May, 1887. Here, while leading a song, his voice failed and he never attempted to sing after that. He was a good singer in his prime. He gave up his work at the District Conference by consent of his P. E. and went to White county. He tried several physicians, but the old machine was worn out and could not be mended. He attended the Annual Conference of 1887, but he was too feeble to be present much of the time. His brethren showed their love for him in their prayers and with their substance. He was strongly attached to the conference and his blessings were upon it. The brethren willingly, but sorrowfully, placed him upon the superannuated list, but he did not stay there long, for on the — day of January, 1888, the weary wheels of life stood still and the pure spirit of God's servant went home to rest. He talked about dying with a calmness begotten only of confidence in his trust. He said he had greater spiritual enjoyment the year of his affliction than during any other. He was glad he had been permitted to work so near his end; that he would rather wear out than to rust out. On Sunday before his death he said that if it was the Lord's will for him to get well and preach again it was all right, and if it was not it was all right. Just before the end came he grew tired and asked his sons to have prayer. His oldest son lead the last service he ever heard on earth. His bereaved widow bears testimony to his affectionate disposition as a husband and father. He was true in ever relation of life; true to what he conceived to be his duty. Just before his mortal eyes looked for the last time upon a receding world, he turned with affectionate and hopeful gaze to his beloved companion and said: "You have oft' times looked for me to return to you and I have always come, but soon I will go and return no more to you, but you can come to me." Bro. Vincent had the love and confidence of those who knew him. We thank God for the hope we have of again meeting our brother.

We'll not forget thee, we who stay
To work a little longer here.
Thy name, thy faith, thy love shall lie
On memory's tablet, bright and clear,
And when o'er wearied, by the toll
Of life, our heavy limbs shall be,
We'll come and one by one surround
The throne of God with thee.

Respectfully submitted,

GEORGE THORNBURGH,
for the Committee.
